We published 125 worldwide trips for boomers and seniors last year in our first ever Travel Guide. It was a huge success. Many readers asked us to form an ActiveOver50 Travel Club because of our 12 year history of providing trustworthy information for the over 50.

Thus is born the ActiveOver50 Adventure Travel Club. Our goal is simple: to provide you with trips of widely varying length, cost, activity and kind from all over the world including trips for women only.

Here's what you get:

- Trips for boomers and seniors
- Trips of all kinds: adventure, exotic, worldwide, women only, singles only, group tours, family
- Discounts for members
- Travel tips
- Recommendations by ActiveOver50 and adventure writer Don Mankin

Note: ActiveOver50 is not a travel agent. Actual booking and the trip itself is the responsibility of the trip operator. Our sole mission is to provide useful information to help you decide which trip is best for you.
